Iconography

◀)) ← ⌖

For Utility Icons,
They are 24px width
& height. Stroke is
2px Width. And they
are Lined Icons.

For Marketing Icons like homepage,
it would need to 48px to be Hero Items.

ⓘ For more information, check out the
Icon Library from Feather Icon.

Colors

Black 100	Black 80	Black 60	Black 40	Black 20	Black 10		Red	Green	Blue
#000000	.80 Opac	.60 Opac	.40 Opac	.20 Opac	.10 Opac		Semantic #F34624	Semantic #8FDB16	Semantic #13A5DF

Spacing

The general rule of thumb for Spacing is
it follows the 8px Grid, which they are increasing
incrementally by 8px. However, for small elements
within items or components they can be % 2.
